Principal's Report

Dear Parents/guardians,

Welcome to yet another newsletter! We hope that you are enjoying our fortnightly updates.

This year, stationary and voluntary contributions were made by our parents/guardians through Paperchase. This was the first year that we were aligned with DET's new Parent Payment system. We have worked very hard to ensure all our students have what they need for learning and are pleased to say that for the first time in a long time, all our students are prepared and resourced for learning. Part of the new system was also opening up the option for our parents to make voluntary contributions to a range of different areas of the school. We have received these donations from Paperchase and are incredibly overwhelmed with the generosity of our community. We have received a total of \$21,040.00. This will be allocated to the corresponding budgets that you all contributed to. These contributions will make a significant impact on our school operations this year.

We have had a few incidents over the last week with parents/guardians driving the wrong way on our two side streets in the morning and afternoon. From 8:00—9:00am and 2:30—3:30pm, both side streets are one way. Please follow these directions as we have had a few near misses with students moving around.

This Term we have noticed that we have a high number of students arriving late to school. We would always encourage you to bring your child/ren to school late rather than have the full day away from school. As part of our duty of care handover, we do require someone over the age of 18 to walk the child/ren into school. This is the same system for collecting students early. We are not able to send a child/ren out to the car, someone over the age of 18 needs to come and collect them from the office.

As the Term has quickly moved along, we have had a small group of staff working on the beginning stages of preparing our school Fun Run. Unfortunately due to absences and external factors, we are not at a stage with our planning that I feel confident to run our Fun Run on the 1st April. We are postponing this event till Term 3. This will allow our staff and the parents who have volunteered to assist time to plan thoroughly and ensure it is a fantastic event for everyone.

Thank you to the families that have participated in our Chocolate Drive. A reminder that the money, money/chocolates need to be returned to school by Thursday 31st March. Our Easter Raffle was also sent out this week. A reminder that if you would like to contribute to our hampers please bring your donations to the office. The raffle will be drawn on Friday 8th April at our Easter Hat Parade.

Stay safe,

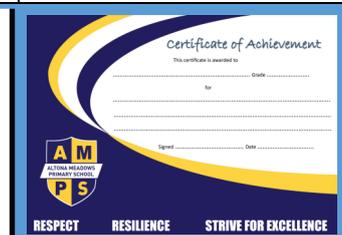

Emma Hampton

ART

Hello from the Art Room!

We've had another great two weeks in the Art room drawing robots, portraits and experimenting with new materials. We're still seeking donations for newspapers so please if you have any spare feel free to drop them off at the front office.

I will be recruiting Art Assistants in Term 2 which will be a small group of Grade 5/6 students to help with various jobs in the Art room. If your child is interested, please ask them to see me.

I also encourage you to explore our AMPS Virtual Gallery which can be found on our website

<https://www.amps.vic.edu.au/visual-arts>

This was created to showcase the wonderful work students produce in Art and will be updated from time to time.

AMPS NEWS

Production of Episode 1 is well underway, and will be released in the last week of term. The students are very excited to share what they have been working on!

To keep updated on all things happening in Art and AMPS NEWS, be sure to follow our social media channels (Instagram and Facebook) for the latest!

Thank you!
