Principal's Report

Dear Parents and Guardians,

Welcome back! We are very excited to be back for the 2025 school year and are very much looking forward to a productive year. Our students have settled in well and have re-adjusted to the school routine with ease.

We have started the year with our full staff allocation and they are all working wonderfully together. We refer to ourselves as the AMPS family and that is hopefully evident when you see our staff interact with each other or our staff interacting with our students.

On our Curriculum Day, we met as a staff group and worked with staff on learning our new Literacy & Mathematics Workshop. Our Literacy Workshop now contains the Phonics element for students in Grade Prep, One & Two. We also as staff, collectively agreed on positive and negative behaviours that are acceptable and how they will be addressed.

Part of restarting our expectations was introducing another layer of communication with families around the positive choices that our students are making. You will be informed via Compass if your child/ren has received an E-Certificate. These certificates will be communicated to you via Compass. They are another way that we will be acknowledging the positive choices and contributions our students are making.

Thank you to our families who have purchased a book pack and made contributions to our school. If you are yet to organise your child/ren's stationary, please do so. Our full teaching & learning program has started so all students will need the necessary stationary items to support their learning program.

Our Meet the Teacher session is fast approaching. If you have not yet made a booking, please log into Compass to do so. The Meet the Teacher session is a great way to see how your child has settled in. They are not an academic update, they are designed to ensure your relationship with your child/ren's classroom teacher for the 2025 school year begins to be developed.

We are looking forward to meeting and sharing afternoon tea with our Prep families next week. Our new students have had a fantastic start and are so far loving school!

Have a lovely weekend.

With thanks,

Emma Hampton

SWPBS

What a great return to school we have had and many of our students have had lots of adventures over the holiday break. For those just beginning at our school our school values are **respect, resilience** and **striving for excellence**.

During Term One our students will be focusing on the value of respect. Respect is shown when we are mindful of the thoughts, feelings and opinions of others. Equally important is when our students feel respected and that they can be themselves around others and feel accepted and welcomed despite any differences they may have.

We are also off to a great start in the yard with our token system with names already being added to our SWPBS barrel. Just a reminder that tokens are drawn out of the barrel each week at assembly.

I am delighted to introduce myself as Assistant Principal for Grades 3 to 6 at Altona Meadows. It is an honour to join this wonderful school community, and I look forward to working closely with students, families, and staff to support our learners in achieving success in all areas.

Previously, I have had the privilege of working within a variety of roles, focusing on academic growth, student well-being, and fostering a positive school culture. My passion lies in creating an inclusive and engaging learning environment where every child feels valued, supported, and inspired to succeed.

In my role, I will be dedicated to ensuring that our students have the tools they need to thrive both academically and socially. I believe in strong partnerships between school and home and I welcome open communication with parents and guardians. Together, we can provide the best possible learning experience for our students.

Please feel free to reach out to me if you ever have any questions or concerns. I look forward to meeting many of you in the coming weeks and becoming a part of this vibrant school community.

Jessica Darcy
