Grade 4 Family Contributions / Book Pack Information

Wednesday 18th September, 2024

Dear Parents/Guardians,

Altona Meadows Primary School is looking forward to another great year of teaching and learning and would like to advise you of our voluntary financial contributions for 2025.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support, whether that's through fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer.

For the 2025 school year, we are continuing with our online portal for the purchasing of Book Packs, this should hopefully make the system of ordering and delivering of packs much easier. All Book Packs will be delivered straight to the school at the beginning of 2025 and will not need to be taken home. We have aimed to keep our costs as low as possible.

For the 2025 school year, we are continuing with our Bring your Own Device Program for students in grades 3, 4, 5 & 6. Our partnership with JBHIFI ensures the best prices and warranty for these netbooks. Please see the attached Information Pack for further information.

For the 2025 school year, we will be implementing The Resilience Project. As this is a school wide initiative, we will be covering the cost of the student diary or take home reader book and the student workbook.

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Yours sincerely,

Emma Hampton
School Principal

Simon Jackson
School Council President
